Nidhi Hospital

A Division of Nidhi Health Care Ltd.

Dear Friends & Colleagues,

Nidhi Hospital is 100 Bedded centrally located Multi Speciality Hospital in the heart of Ahmedabad. It has embarked on the mission of "Adding Health to Life" of our patients across the globe.

We at Nidhi Hospital have always believed in clinical excellence and we have been progressing in that direction. Our excellence not only reflects in technical aspects, but we have been extremely careful regarding the Infection Control Protocols, Hospital Hygiene, Clinical Pathways, Disaster Management and are also committed to Corporate Social Responsibility.

Nidhi Hospital an ISO 9001:2015 institution is also the first midsized hospital in Ahmedabad to have **NABH Accreditation**. It has its focus on continuous improvement on all fronts and is on its journey towards developing benchmarks and quality indicators. We provide excellent patient care with highest international standards.

Nidhi Hospital has completed 15 years at Navrangpura and 25 years in Ahmedabad.

Nidhi Hospital has procured one of the best **Endoscopic Ultrasonography** Unit and has become one of the very few distinguished corporate hospitals of Gujarat to have Endoscopic Ultrasonography Unit. In the **Obesity and Metabolic Surgery department** of Nidhi Hospital, many patients have undergone Laparoscopic Obesity and Metabolic Surgeries and have benefited in their co morbidities like Diabetes, Hypertension Dyslipidemia in addition to weight loss.

In this Covid -19 pandemic time, Nidhi Hospital Doctors has treated more then 3000 patients of Covid -19 with lowest mortality and morbidity our most senior Covid -19 patient was 99 years old who recovered completely and discharged home

Nidhi hospital is catering to all the specialties except invasive cardiology Orthopedic, Joint Replacement, Trauma Unit, Urology Unit, Neurology Unit, ICU, Isolation-ICU & Critical Care Department, Dialysis Center, Gastroenterology, G.I. Endoscopy, Laparoscopic Surgeries and Gastro Surgeries Department have all been performing very well over last many years with the help and support of our Consultants, Medical and Para Medical Staff.

We have handpicked all our staff members to provide the best patient care services to our patients. They have been instructed to consider each & every patient as their family member. We are proud of Nidhi staff members & sure that you shall also appreciate their commitment and dedication to achieve our mission of Adding Health to the life of our patients.

We are proud of our association with you & privileged to be helpful to your patients.

Warm Regards,

Prof. Dr. Sunil D. Popat
